To,
The Director
Society for Health and Medical Technology
Noida,UP

Subject – Request for permission to do Internship/Training.

Respected Sir/ Madam

Our Institute was established in 1988. It is affiliated to Mumbai University. We encourage our student to undertake internship. It is part of the curriculum. So, I request you to permit the following student from Third Year in Computer Engineering to carry out internship in your organization from 20/9/2021 in the current semester. The student has assured that if internship offered from your end, she will carry out the same without hampering the regular academic session

Sr. No.	Name	G.R. No.	Contact No.
1	Raunak Ali	2019FHCO020	9987862408

We assure you that our student will maintain proper discipline & abide by the organizational rules and regulation during internship. Kindly give permission & issue an acceptance letter to them so that they will complete the college and university formalities.

Yours Sincerely

Dr.Amol Pande
HOD,Computer Engg.Dept.
